Payment plan

The Foundation's payment plan enables members to automatically renew membership from year to year. All members are automatically placed on the payment plan if a credit card or bank account is used for membership purchase. The same package will be renewed automatically from the credit card or bank account provided previously unless you indicate that you would like to opt out of the plan or change your package.

The Foundation will contact you one month prior to the annual payment as a reminder as well as to notify of any fee increases. If you wish to change your package, opt out of the program or change your payment details, you will need to notify the Foundation of this in writing within one month of the notice. If you do not notify the Foundation of any changes, you have agreed for your membership to roll over.

It is the responsibility of each member to ensure that the account details provided are correct and that sufficient clear funds are available in the nominated account on the scheduled payment date.

If the debit is returned or dishonoured by your financial institution, the Men of League Foundation will contact you to request immediate payment. Any fees charged to you by your financial institution will be payable by you. If the payment declines, the membership will be considered lapsed until a successful payment is made.
